## Computer Control Switch CCS-2 & UMT-2D

Orbital have just released a new suite of products for use with computer playback systems. The Nemesis range includes the CCS-2, a MIDI and KVM changeover unit (to swap between a main and a backup computer), and an ADAT changeover unit. Complementing the range is the UMT-2D, a GPI to USB box. Go boxes are also available. Visit Orbital at stand 74 for more details or check out more here: [Nemesis Audio](#)

Orbital are also running a shortened version of their popular Mixing Musicals training scheme at ABTT. [More info here](#)

## Trade Up Service

From now until August 31st, Sennheiser are offering customers a £100 trade in towards the cost of a new Sennheiser Evolution radio mic or in ear monitor system. The offer applies to any complete wireless system from any manufacturer. [Trade Up Sennheiser](#)

## Training

The **School of Sound** and the Barbican present "MUSIC OF THE WILD: The sound of the living world". Featuring soundscape ecologist Bernie Krause (The Great Animal Orchestra); composer for orchestra, film, theatre and ballet, Richard Blackford; and BAFTA-winning sound recordist and sound artist, Chris Watson. Three people whose lives revolve around sound and music reveal how the sound of our world is as orchestrated and emotionally moving as a classical composition. Sunday, 6 July 2014, 2:00 - 5:30 PM, The Barbican, Cinema 1. [Click for full details.](#)

## New Kit

Zoom have announced the new [Zoom H5](#), essentially the H6 with 4 inputs rather than 6, compatible with the same interchangeable mic adapters. It's expected to ship this month and cost under £200.

Eventide are giving away their UltraChannel native control strip for free until July 8th. The plugin provides a wide range of features from compressors and PEQ thro to micro pitch shift and stereo delays. An iLok.com account is needed, though not an actual iLok. [Click here for more details](#)

Audinate have released a new high capacity [Dante HC](#) to allow future devices to transmit and receive up to 512 x 512 channels bi-directionally.

## Graduate Exhibitions

East 15 hold their graduate exhibition on Thursday June 12 (6pm to 9.30pm) and Friday June 13th (12pm to 3pm and 6pm to 9.30pm). Contact [gilla@essex.ac.uk](mailto:gilla@essex.ac.uk) for more information.

## Competition

SAE have announced a sound design competition, open to all, with over €5500 of prizes to be won. You just have to create a sound design for a short monster animation. BOOM library have contributed some sound effects to download and use if you like. Deadline is June 23rd. [More details here.](#)
