Hardware, software and sounds

Wavetool

The lovely people of Wavetool are celebrating their latest update with an offer to ASD members, Let Timo and the team know that you heard the news here and they'll sign you up for a free month of Wavetool! Find out what's new [here](#).

d&b updates

d&b have released an update to [ArrayCalc](#), with a shared file format between ArrayCalc and R1. It will also control their new [Soundscape](#) processors. d&b also announced integration between their new Soundscape system and Figure 53's QLab, TTA Stagetracker, DiGiCo's SD-range, and the Avid S6L.

PRODUCTS

Digiface Dante

The latest addition to the Digiface family is this Dante version, it's a lightweight, portable audio interface, combining Dante network connectivity with USB 3, MADI and TotalMix FX.

64 channels of Dante and MADI are transferred via USB 3.0 and handled via both the Dante control software and RME's TotalMix FX. It also has an additional network port on both the Primary and Secondary networks, reducing the need for a network switch. Read all about it on the [website](#).

Cadac are 50!

What better way to celebrate your birthday than with a new desk? The CDC five is a compact option with 48 channels, or go for the CDC Seven-S with 128 channels, read more [here](#).

Sonnis Freebie

#GAMEAUDIOGDC

We don't know how long this one is going to be available for, so act quickly if you'd like to download up to 30gb of free, commercially usable, royalty free sound effects.

Interesting reading

The ALD still need our help, if you haven't heard about the legislation changes for theatre lighting, check out the updates [here](#). You can also [sign the petition](#) or read about it in [The Stage](#).

This one showed up on our Facebook page: [Conserve the sound](#) is a project that hopes to protect endangered noises from extinction. Worried future generations will never understand what it was to wind a C90 past it's end stop? Worry no more and waste at least 45 minutes grazing the [archives](#).

Mercedes are now using pink noise to add another layer of protection in a crash, find out more [here](#).

[Here](#) is another post from our Facebook page, it's an article explaining a little of what it means to be living with high functioning Autism.
